If this is your first training certification, or first on-line certification, please email certifications at certifications@tcfp.texas.gov.

**Please submit this application under the training page on FIDO:** The submission button can be found under the department **training account**. On the **dashboard**, look for **applications** and **New Training Certification Application** 

**Purpose:** This form is to be utilized by departments and organizations that are seeking approval to offer commission approved curriculum courses (Chapter 427, Training Facility Certification).

*Mark 1 discipline for which the facility seeks approval to provide certification training*: Check each discipline for which an approval to provide training is sought. There is an \$85.00 application fee for each certificate requested.

Mark the paragraph which best describes how the facility meets minimum requirements to provide certified training: Both on-site training providers and distance training providers must complete this section. Photographs to document the required facilities and equipment are required in section 427.1 (f) of the Commission rules.

*On-site Training Facility*: Review Chapter 427, Subchapter A, and the specific curriculum chapter for detailed information for each section. Remember to attach letters of agreement authorizing the use of resources not owned by the facility from the provider of those resources.

**Distance Training Facility:** Review Chapter 427, Subchapter B, and the specific curriculum chapter for detailed information for each section. Remember to attach letters of agreement authorizing the use of resources not owned by the facility from the provider of those resources.

**CHIEF TRAINING OFFICER**: Provide the name, personal identification number (PIN) and level of instructor certification of the individual that is assigned as training officer or coordinator for the training facility. The named individual must hold, at a minimum, Fire Service Instructor III certification.

**PERMANENT TRAINING FACILITY INSTRUCTOR STAFF:** Provide the names, personal identification numbers (PINs) and levels of certification for all individuals who are assigned as permanent instructional staff of the training facility. By TCFP rule for each course there must be a total of 3 training facility instructors that meet the minimum qualifications of that subject. Information on these requirements can be found **RULE** §427.307 of the Texas Administrative code

**Signatures**: Legal signatures and printed names of the chief/department head and the training officer/coordinator with the signature date.
