CHAPTER 437

FEES

§437.1. Purpose and Scope.

- (a) The purpose of this chapter is to set forth requirements governing the fees charged for the issuance of certificates to fire protection personnel, to establish the procedures for the collection of annual renewal fees and copying fees as prescribed by the Government Code, §419.025 and §419.026, and commission rule.
- (b) This chapter shall govern all proceedings before and dealing with the commission concerning certification fees, renewal fees, and copying fees. Hearings and appellate proceedings regarding these fees shall be governed by this chapter where applicable and by the rules of the practice and procedure of the commission and the Administrative Procedure Act and Texas Register Act, Chapter 2001, of the Texas Government Code.
- (c) If a fee submitted in the form of a check is returned for insufficient funds the certification, seal or test for which the fee was collected will be invalidated.

§437.3. Certification Fees.

- (a) A non-refundable application fee of \$85 is required for each certificate issued by the Commission. If a certificate is issued within the time provided in §401.125 of this title (relating to Processing Periods), the fee will be applied to the certification. If the certificate is denied, the applicant must pay a new certification application fee to file a new application.
- (b) The regulated employing entity shall be responsible for all certification fees required as a condition of appointment.
- (c) Nothing in this section shall prohibit an individual from paying a certification fee for any certificate which he or she is qualified to hold, providing the certificate is not required as a condition of appointment (see subsection (b) of this section concerning certification fees).
- (d) Any person who holds a certificate, and is no longer employed by an entity that is regulated by the Commission may submit in writing, a request, together with the required fee to receive a one-time certificate stating the level of certification in each discipline held by the person on the date that person left employment pursuant to the Texas Government Code, §419.033(b).

Multiple certifications may be listed on the one-time certificate. The one-time fee for the one-time certificate shall be limited to the maximum amount allowed by §419.033(b) of the Texas Government Code.

- (e) A facility that provides basic level training for any discipline for which the Commission has established a Basic Curriculum must be certified by the Commission. The training facility will be charged a separate certification fee for each discipline.

§437.5. Renewal Fees.

- (a) A non-refundable annual renewal fee of \$85 shall be assessed for each certified individual and certified training facility. If an individual or certified training facility holds more than one certificate, the Commission may collect only one renewal fee of \$85, which will renew all certificates held by the individual or certified training facility.
- (b) A regulated employing entity shall pay the renewal fee for all certificates which a person must possess as a condition of employment.
- (c) If a person re-enters the fire service whose certificate(s) has been expired for less than one year, the regulated entity must pay all applicable renewal fee(s) and any applicable additional fee(s). Upon payment of the required fees, the certificates previously held by the individual, for which he or she continues to qualify, will be renewed.

- (d) If a person reapplies for a certificate(s) which has been expired less than one year and the individual is not employed by a regulated employing entity as defined in subsection (b) of this section, the individual must pay all applicable renewal fee(s) and any applicable additional fee(s). Upon payment of the required fee(s), the certificate(s) previously held by the individual, for whom he or she continues to qualify, will be renewed.
- (e) Nothing in this section shall prohibit an individual from paying a renewal fee for any certificate which he or she is qualified to hold providing the certificate is not required as a condition of employment.
- (f) Certification renewal statements will be mailed to all regulated employing entities and individuals holding certification at least 60 days prior to October 31 of each calendar year. Certification renewal statements will be mailed to certified training facilities at least 60 days prior to February 1 of each calendar year.
- (g) All certification renewal fees must be returned with the renewal statement to the Commission.
- (h) All certification renewal fees must be paid on or before the renewal date posted on the certification renewal statement to avoid additional fee(s).
- (i) The certification period shall be a period not to exceed one year. The certification period for employees of regulated employing entities, and individuals holding certification is November 1 to October 31. The certification period of certified training facilities is February 1 to January 31.
- (j) All certification renewal fees received from one to 30 days after the renewal date posted on the renewal notice will cause the individual or entity responsible for payment to be assessed a non-refundable late fee of \$42.50 in addition to the renewal fee for each individual for which a renewal fee was due.
- (k) All certification renewal fees received more than 30 days after the renewal date posted on the renewal notice will cause the individual or entity responsible for payment to be assessed a non-refundable late fee of \$85 in addition to the renewal fee for each individual for which a renewal fee was due.
- (l) In addition to any non-refundable late fee(s) assessed for certification renewal, the Commission may hold an informal conference to determine if any further action(s) is to be taken.
- (m) An individual or entity may petition the Commission for a waiver of the late fees required by this section if the person's certificate expired because of the individual or regulated employing entity's good faith clerical error, or expired as a result of termination of the person's employment where the person has been restored to employment through a disciplinary procedure or a court action. All required renewal fees including applicable late fees and all required continuing education must be submitted before the waiver request may be considered.
 - (1) Applicants claiming good faith clerical error must submit a sworn statement together with any supporting documentation that evidences the applicant's good faith efforts to comply with Commission renewal requirements and that failure to comply was due to circumstances beyond the control of the applicant.
 - (2) Applicants claiming restoration to employment as a result of a disciplinary or court action must submit a certified copy of the order restoring the applicant to employment.
- (n) An individual, upon returning from activation to military service, whose certification has expired, must notify the Commission in writing. The individual will have any normally associated late fees waived and will be required to pay a renewal fee of \$85.

§437.7. Standards Manual and Certification Curriculum Manual Fees.

- (a) Current versions of the Standards Manual for Fire Protection Personnel and Certification Curriculum Manual are available on the commission's website.

Applicants submitting training records for review shall receive a written analysis from the commission.
- (b) The fee provided for in this section shall not apply to an individual who holds an advanced certificate from the State Firemen's and Fire Marshals' Association of Texas.
