CHAPTER 429

MINIMUM STANDARDS FOR FIRE INSPECTOR CERTIFICATION

§429.201 Minimum Standards for Fire Inspector Personnel.

- (a) Fire protection personnel of a governmental entity who are appointed to fire code enforcement duties must be certified, as a minimum, as a basic fire inspector as specified in §429.203 of this title (relating to Minimum Standards for Basic Fire Inspector Certification) within one year of initial appointment to such position.
- (b) Prior to being appointed to fire code enforcement duties, all personnel must complete a Commission-approved basic fire inspection training program and successfully pass the Commission examination pertaining to that curriculum.
- (c) Individuals holding any level of fire inspector certification shall be required to comply with the continuing education requirements in §441.13 of this title (relating to Continuing Education for Fire Inspection Personnel).
- (d) Code enforcement is defined as the enforcement of laws, codes, and ordinances of the authority having jurisdiction pertaining to fire prevention.

§429.203 Minimum Standards for Basic Fire Inspector Certification.

In order to be certified as a basic fire inspector, an individual must:

- (1) possess valid documentation as an Inspector I, Inspector II, and Plan Examiner I from either:
 - (A) the International Fire Service Accreditation Congress; or
 - (B) the National Board on Fire Service Professional Qualifications issued by the Texas A&M Engineering Extension Service using the 2009 or later edition of the NFPA standard applicable to this discipline and meeting the requirements as specified in §439.1(a)(2) of this title (relating to Requirements—General); or
- (2) complete a commission approved Basic Fire Inspector program and successfully pass the commission examination(s) as specified in Chapter 439 of this title (relating to Examinations for Certification). An approved basic fire inspection training program shall consist of one or any combination of the following:
 - (A) completion of the commission approved Basic Fire Inspector Curriculum, as specified in Chapter 4 of the commission's Certification Curriculum Manual; or
 - (B) successful completion of an out-of-state, NFA, and/or military training program which has been submitted to the commission for evaluation and found to meet the minimum requirements as listed in the commission approved Basic Fire Inspector Curriculum as specified in Chapter 4 of the commission's Certification Curriculum Manual; or
 - (C) successful completion of the following college courses:
 - (i) Fire Protection Systems, three semester hours;
 - (ii) Fire Prevention Codes and Inspections, three semester hours;
 - (iii) Building Construction in the Fire Service or Building Codes and Construction, three semester hours;
 - (iv) Hazardous Materials I, II, or III, three semester hours (total semester hours, 12).

(D) documentation of the receipt of Fire Inspector I, Fire Inspector II, and Plan Examiner I certificates issued by the State Firemen's and Fire Marshals' Association of Texas that are deemed equivalent to a commission approved Basic Fire Inspector curriculum.

§429.205 Minimum Standards for Intermediate Fire Inspector Certification.

- (a) Applicants for Intermediate Fire Inspector Certification must meet the following requirements:
- (1) hold as a prerequisite Basic Fire Inspector Certification as defined in §429.203 of this title (relating to Minimum Standards for Basic Fire Inspector Certification); and
 - (2) acquire a minimum of four years of fire protection experience and complete the training listed in one of the following options:
 - (A) Option 1--Successfully complete six semester hours of fire science or fire technology from an approved Fire Protection Degree Program and submit documentation as required by the Commission that the courses comply with subsections (b) and (c) of this section; or
 - (B) Option 2--Completion of coursework from either the A-List or the B-List courses. Acceptable combinations of courses are as follows: two A-List courses; or eight B-List courses; or one A-List course and four B-List courses. (See the exception outlined in subsection (c) of this section); or
 - (C) Option 3--Completion of coursework from either the A-List or the B-List courses in combination with college courses in fire science or fire protection. Acceptable combinations of courses are three semester hours meeting the requirements of Option 1 with either one A-List course or four B-List courses. (See the exception outlined in subsection (c) of this section.)
 - (b) Non-traditional credit awarded at the college level, such as credit for experience or credit by examination obtained from attending any school in the Commission's Certification Curriculum Manual or for experience in the fire service, may not be counted toward this level of certification.
 - (c) The training required in this section must be in addition to any training used to qualify for any lower level of Fire Inspector Certification. Repeating a course or a course of similar content cannot be used towards this level of certification.

§429.207 Minimum Standards for Advanced Fire Inspector Certification.

- (a) Applicants for Advanced Fire Inspector Certification must complete the following requirements:
- (1) hold as a prerequisite an Intermediate Fire Inspector Certification as defined in §429.205 of this title (relating to Minimum Standards for Intermediate Fire Inspector Certification); and
 - (2) acquire a minimum of eight years of fire protection experience and complete the training listed in one of the following options:
 - (A) Option 1--Successfully complete six semester hours of fire science or fire technology from an approved Fire Protection Degree Program and submit documentation as required by the Commission that the courses comply with subsections (b) and (c) of this section; or
 - (B) Option 2--Completion of coursework from either the A-List or the B-List courses. Acceptable combinations of courses are as follows: two A-List courses; or eight B-List courses; or one A-List course and four B-List courses. (See the exception outlined in subsection (c) of this section); or

- (C) Option 3--Completion of coursework from either the A-List or the B-List courses in combination with college courses in fire science or fire protection. Acceptable combinations of courses are three semester hours meeting the requirements of Option 1 with either one A-List course or four B-List courses. (See the exception outlined in subsection (c) of this section.)
- (b) Non-traditional credit awarded at the college level, such as credit for experience or credit by examination obtained from attending any school in the Commission's Certification Curriculum Manual or for experience in the fire service, may not be counted toward this level of certification.
- (c) The training required in this section must be in addition to any training used to qualify for any lower level of Fire Inspector Certification. Repeating a course or a course of similar content cannot be used towards this level of certification.

§429.209 Minimum Standards for Master Fire Inspector Certification.

- (a) Applicants for Master Fire Inspector Certification must complete the following requirements:
- (1) hold as a prerequisite an Advanced Fire Inspector Certification as defined in §429.207 of this title (relating to Minimum Standards for Advanced Fire Inspector Certification); and
 - (2) acquire a minimum of 12 years of fire protection experience, and 60 college semester hours or an associate's degree, which includes at least 18 college semester hours in fire science subjects.
- (b) College level courses from both the upper and lower division may be used to satisfy the education requirement for Master Fire Inspector Certification.

§429.211 International Fire Service Accreditation Congress (IFSAC) Seal.

- (a) Individuals who hold commission Fire Inspector certification prior to January 1, 2005, may be granted International Fire Service Accreditation Congress (IFSAC) seals for Inspector I and Inspector II by making application to the commission for the IFSAC seals and paying applicable fees. **This subsection will expire on August 1, 2016.**
- (b) Individuals who hold commission Fire Inspector certification prior to January 1, 2005, may apply to test for Plan Examiner I. Upon successful completion of the examination an IFSAC seal for Plan Examiner I may be granted by making application to the commission for the IFSAC seal and paying the applicable fee.
- (c) Individuals who pass the applicable section of the state examination on or after January 1, 2005, may be granted IFSAC seal(s) for Inspector I, Inspector II, and/or Plan Examiner I by making application to the commission for the IFSAC seal(s) and paying the applicable fees, provided they meet the following provisions:
