

**San Antonio College
Regional Fire Academy
Part-Time Fire Instructor**

The San Antonio College (SAC) Regional Fire Academy is seeking a highly-motivated individual to serve as a lead instructor for classroom and skills instruction.

Minimum Requirements:

- Basic Firefighter certification* from the Texas Commission on Fire Protection (TCFP)
- Fire Instructor II certification* from TCFP
- 3 years of fire service experience
- Associate's Degree in Fire Science or closely related field

Preferred Qualifications:

- Bachelor's Degree, or higher, in Fire Science or closely related field
- TCFP certification* in any of the following:
 - Hazardous Materials Technician
 - Hazardous Materials Incident Commander
 - Driver/Operator-Pumper
 - Incident Safety Officer
 - Fire Officer I, II, III, IV
 - Fire Inspector
 - Fire Investigator
- NFPA 1006 Technical Rescuer certifications in the following:
 - General Rescuer (Chapter 5 JPRs)
 - Rope Rescue
 - Confined Space Rescue
 - Trench Rescue
 - Vehicle Rescue
 - Wilderness Rescue

*IFSAAC certifications may be substituted by applicants. Any offer of employment will be conditional upon the applicant gaining TCFP certification.
