

Keeping you Knowledgeable, Safe, and in Compliance!

Ernest A. Emerson
Fire Protection Resource Library

A Volume From the Library

Fire Prevention Week is October 9–15, 2011

Protect your family from fire!

This year's Fire Prevention Week focus is "Protect your family from fire." The NFPA is focusing on keeping you, your family, and your whole community safe from fire. Check out their [website](#) for interactive ways to learn to be safe, test your fire safety IQ, and learn how to reach high-risk populations more effectively. They also provide resources for teachers, parents, and families.

The TCFP Library holds many Audio Visual materials that can help you get your community and families educated and safe from fire.

Click the titles below to reserve your copy today!
