

## **TFS - Junction Wildland Fire Training Event Schedule**

### **April 28-29 & May 5-6: S-130/190 Firefighter Training/ Intro to Wildland Fire Behavior (includes I-100 & L-180)**

#### **Course Description:**

This introductory course is designed to train entry-level firefighters. The student will gain an understanding of the basic incident management organization, firefighting techniques, suppression equipment, safety, strategy/tactics, along with basic fire behavior. Field exercises will be performed for valuable hands-on training.

#### **Prerequisites:**

None

S-130/S-190 = \$300.00 (Includes Breakfast and Lunch and a bunk)

### **April 28 : S131 –Wildland Firefighter Type I (FF1)**

#### **Course Description:**

Firefighter Type 1, S-131, is an eight-hour course designed to meet the training needs of the Firefighter Type 1 (FFT1). This course is designed to be interactive in nature. It contains several tactical decision games designed to facilitate learning the objectives and class discussion. Topics include: fireline reference materials, communications, and tactical decision making.

#### **Prerequisites:**

Qualified as a firefighter type 2 (FFT2).

S-131 = \$ 60.00 (Includes Breakfast and Lunch and a bunk)

### **April 29 : Courage to be Safe (Required class for all TCFP personnel)**

#### **Course Description:**

Recognizing the need to do more to prevent firefighter line-of-duty deaths and injuries, the NFFF launched a national initiative to bring prevention to the forefront by producing 16 major Life Safety Initiatives that provided the fire service a blueprint for making changes. The implementation of these initiatives can play a major role in helping the United States Fire Administration meet its goal of reducing firefighter fatalities by 25 percent within five years and 50 percent within 10 years.

#### **Prerequisites:**

None

Courage To Be Safe = Free (\$24.00 covers Breakfast and Lunch and a bunk)

### **May 1-3 : I-300 – Intermediate ICS For Expanding Incidents**

#### **Course Description:**

This course provides description and detail of the Incident Command System (ICS) organization and operations in supervisory roles on expanding or Type 3 incidents. Topics include: ICS fundamentals review, incident/event assessment and agency guidance in establishing incident objectives, Unified Command, incident resource management, planning process, demobilization, transfer of command, and close out.

This course was developed in conjunction with the US Fire Administration (H465) and the Emergency Management Institute (G300). These courses are built on the same lesson objectives and content as the NWCG I-300 course and are interchangeable; they are all National Incident Management System (NIMS) compliant.

#### **Prerequisites:**

ICS-200, Basic: ICS for Single Resources and Initial Action Incidents

I-300 = \$ 20.00 (no meals or lodging included though lodging is available upon request)

### **May 5-6 : S270 – Basic Air Operations**

#### **Course Description:**

This course covers aircraft types and capabilities, aviation management and safety for flying in and working with agency aircraft, tactical and logistical uses of aircraft, and requirements for helicopter take-off and landing areas. Note: The regulations, procedures and policies addressed in this course are primarily those governing federal agency and ICS operations. State, county, or other political subdivisions using this course will need to consult their agency having jurisdiction with respect to regulations, procedures and policies.

#### **Prerequisites:**

None

S-270 \$ 120.00 (Includes Breakfast and Lunch and a bunk)
