### Continuing Education and Certification Renewal

September 1st marks the start of certification renewal season. This means there are only a few short months left to complete the commission's continuing education (CE) requirements.

#### Important Notes:

- *Hazardous Materials Technician* certification requires **8 additional CE hours** of technician-level training
- You may use any Level 1 or Level 2 courses (or a combination of both) to complete the CE requirement
- *Level 1* courses:
  - ♦ Repeat basic-level skills,

- ♦ Are limited to 4 hours per subject, and
- ♦ Must be conducted by a certified instructor
- *Level 2* courses:
  - ♦ Are intended to develop new skills,
  - ♦ Have no "hour per subject" limit; however,
  - ♦ Medical training is limited to 4 hours
  - ♦ *Examples:* National Fire Academy courses; college courses in fire science or emergency management; fire service related seminars

**See the sidebar for more details.**
