

Fire Marshal

The Curriculum and Testing Committee is seeking applications for a new Fire Marshal Ad-Hoc Committee.

Committee members will be actively involved in intense development of a new voluntary certification training curriculum. Meetings typically last two to three days. The committee will meet, on average, four times during the process, at commission headquarters in Austin but may meet virtually, as needed. Committee members are not reimbursed by TCFP for any travel expenses.

Applicants must hold, at a minimum, Inspector II, Fire Investigator, Instructor I, and experience in teaching of Inspection and/or Investigator courses preferred.

Please submit a completed application and a personal profile or resume, not to exceed one page, including references to Cliff Grant, Deputy Chief of Professional Standards, at cliff.grant@tcfp.texas.gov by **Friday, December 31, 2021.**

The C&T Committee will review applications at its next scheduled meeting. After this meeting, all applicants will receive notification via email as to whether they were selected to be on the committee within two weeks of the meeting.
