

*Caney Creek  
Fire & Rescue  
Montgomery County ESD 9*

*Battalion Chief  
Shift Commander*

# ***Battalion Chief***

## ***Shift Commander***

The Caney Creek Fire & Rescue / Montgomery County ESD 9 (CCFR) is a growing and dynamic organization seeking to add a new Battalion Chief . If you are a committed, motivated, enthusiastic and engaging team player, then we welcome you to participate in this exciting process. As a Battalion Chief , you will be at the forefront of planning and supervising shift personnel, ensuring the seamless execution or response duties for fire, rescue, and medical emergencies. Your leadership will be instrumental in upholding CCFR policies, procedures, and guidelines while fostering a culture of excellence with our team. Additionally, you will actively contribute the training and development of members of your team. If you are ready to take your career to new heights and make a significant impact in emergency services, we want you on our team.

### **Caney Creek Fire & Rescue**

The CCFR operates under the authority of the Montgomery County ESD 9. An ESD is a political subdivision of the State of Texas established in the State Legislature under the Health and Safety Code Chapter 775. An ESD has the legal authority to levy ad-valorem property taxes for the services it provides, up to a maximum of \$.10 cents on every \$100.00 evaluation. An ESD Board consists of five members of the community, appointed by Commissioner's Court to oversee the funding for emergency response.

The CCFR is responsible for the delivery of an all-hazards fire/rescue and basic life support emergency response to an unincorporated area encompassing 55 square miles. Services are accomplished through the strategic placement of seven fire stations, four of which are staffed with full and part-time personnel and a fifth is staffed as staffing allows. CCFR partners with the Montgomery County Hospital District (MCHD), who provides the Mobile Intensive Care transport units for all County Emergency Medical Services MCHD currently is co-located at our Station 81.
