As stated in Section 143.025 (b). An eligibility list for a beginning position in the fire department may be created only as a result of a competitive examination held in the presence of each applicant for the position, except as provided by Subsections (d) and (e). The examination must be based on the person's general knowledge and aptitude and must inquire into the applicant's general education and mental ability. A person may not be appointed to the fire department except as a result of examination. All applicants will take the same examination; be examined in the presence of other applicants for that eligibility list. An additional five
